\$3.18 (c)

Red - R

Blue - B

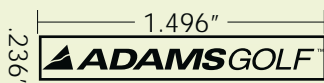

Black - C

This ingenious product features a moveable neck with high intensity white LED flashlight and a red laser pointer powerful enough to shine over 1 mile in distance. The base is a powerful magnet that allows it to be attached to many metal surfaces. All of this, and your ad message laser engraved on the barrel with a handy metal clip.

****Offer valid through 12/30/09****
